

At Broadfield Academy, we are fortunate enough to have the support of staff and volunteers to be able to offer an extensive range of extra curricular activities. All club leaders have had enhanced police checks.

These activities bring an important dimension to the children's education – teaching them skills they wouldn't otherwise have the opportunity to learn, helping them to understand the importance of being healthy and offering them the chance to make new friends – as well as the all-important, plain good old-fashioned fun!

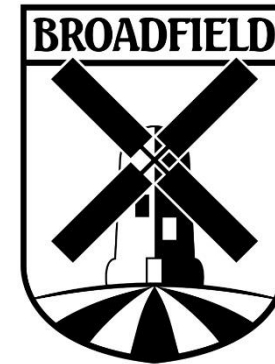

Mrs Brightman is our club co-ordinator. She will be pleased to answer any questions you have and can be contacted through the school office.

Due to the current situation with COVID-19 all sessions are offered to year group bubbles only at this time and may be changed in the Spring Term.
