

Home-Learning Challenge	English	Maths	Topic	Autumn Term 1
-------------------------	---------	-------	-------	---------------

Bee Challenge

Read a book from the '100 books to read before you leave Year 6!' list uploaded to our Google Classroom.

Create a poster to show me what you know about Place Value.

Research and make notes on any historical figure who had an impact on other people's lives during WW1 or WW2.

Learning Log
(holiday home-learning)

Show me what you know about being healthy and fit.

Learning Log to be handed in by:
Tuesday 3rd November

Our Learning Log this half term is helping us to develop the below value:

Be the Best you can Be

Advice:

"Bee" organised and create a home-learning timetable for yourself. All home-learning to "bee" uploaded online to Google Classroom by

Friday, 16th October 2020

Brave-Bee Challenge

Write a book review about a book from our '100 books to read before you leave Year 6!' list.

Remember to include your thoughts and opinions on the plot, characters and setting.

Write a Place Value quiz. This could include different 'rounds' for the skills that we will cover this half term, including: the value of digits, ordering numbers, rounding, negative numbers and decimals.

Create a presentation about any historical figure who had an impact on other people's lives during WW1 or WW2.

This could be a PowerPoint or poster - remember to share it on Google Classroom!

Super-Bee Challenge

Plan and write an alternative ending for your chosen book from our '100 books to read before you leave Year 6!' list.

Consider the main character's choices. How could things have gone differently?

Design and make a Place Value board game to play with your family at home!

Think about all the different skills that you could include: the value of digits, ordering numbers, rounding, negative numbers and decimals.

Write a biography (non-fiction text) about any historical figure who had an impact on other people's lives during WW1 or WW2.

Remember to include headings and subheadings to organize your information.
