- Rule 4: Sibling Children** who have a sibling on the roll of the school or linked school at the time of application. This applies to reception through to Year 5 in infant, junior and primary schools.
- Rule 5: Nearest School** Children for whom it is their nearest community or voluntary-controlled school or an own admitting school or academy.
- Rule 6: Distance** Children who live nearest to the school. This measure will be obtained using Google Maps, walking details will be used. The route with less miles will be used. Children not considered under rule 4 will be considered under rule 5.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available, a tie break will be used by applying the next rule to those children.

Parents may state their preference as to which Nursery class, school or centre they would like their child to attend in the years leading up to the child's fourth birthday. If there are fewer applications than places available at a school, all applicants will be admitted. If there are not enough places available, places will be allocated in the following order of priority.
