Dear *Vicky*

I was delighted to learn from the Department for Education that in 2019 you saw an increase in the proportion of your pupils achieving the expected standard in reading, writing and mathematics in Key Stage 2 results.

I would like to send my thanks to you and your staff for the hard work of your teachers and pupils and wish you continuing success. You must be proud of your school's achievement.

With kind regards

Yours sincerely

Mike Penning
