Topic

Bee Challenge

Zoe zoo keeper wants to name some of her animals starting with the same sound. Eg Charlie Chimp, Tommy Tiger. Help her to name the lion, snake and panda.

Use a spoon as a measuring device. Go around and see if things are the same size, shorter or longer than the spoon.

Go on a summer walk.

How has the environment changed since spring? What do you notice? How can we tell it is now summer? What is different?

Summer Term 2

Be respectful

Brave-Bee Challenge

Can you sound out these words using robot talk? Identify all the sounds in the word.

Eg c-a-t

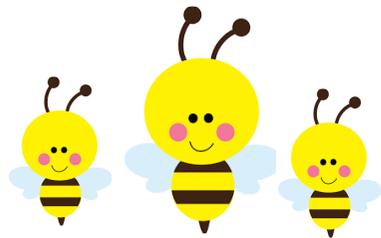

How many star jumps can you do in 30 seconds? Can you beat your record?

Talk about how long 30 seconds is. Did it feel like a long time? Can you count your own jumps?

Go on a minibeast hunt. Make a chart to show what different types you have found. How many of each did you find? How many in total?

(Talk about what they look like, where they live, how many legs or wings they have and similarities or differences.)

Advice:
"Bee" organised and create a home-learning timetable for yourself.

Super-Bee Challenge

Listen carefully as you sound out these words. Pin, sat, tap, net.

How many letter sounds are in each word?

E.g. c-a-t
1-2-3

Can you make a repeating pattern using objects from home?

Eg spoon, fork, spoon, fork

When you are playing outside, look at your shadow. Is it as big as you or smaller? Is it always the same size?

Choose a toy and place it in a sunny spot in your garden. Can you draw around the outline of its shadow?

Home-Learning to be handed in by:

Friday 9th July 2021.
