Year 3 Home-Learning Menu Autumn 1 2021 – 2022

Home-Learning Challenge	English	Maths	Topic	Autumn Term 1
Bee Challenge	Draw a mythical creature and label its features using adjectives.	Complete the missing number problems. 1) □ + 30 + 1 = 731 2) 449 = 400 + □ + 40 3) 200 + □ + 1 = 201 Can you create and solve some examples of your own?	**Create and Make** Create a piece of artwork that shows a landscape scene from either Hemel Hempstead or Hawaii. You can choose to work with any art medium you wish.	**Learning Log** Show me what it means to work together as part of a team. Optional Learning Log to be handed in by: **Tuesday 2nd November 2021** Our Learning Log this half term is helping us to develop the below value: **Be the best you can be** **Advice:** "Bee" organised and create a home-learning timetable for yourself. Home-Learning to be handed in by: **Friday 15th October 2021**
 Brave-Bee Challenge	Write a conversation between yourself and a mythical creature. Remember to use inverted commas to show direct speech and try a variety of speech verbs.	Using words or diagrams, prove that 289 is closer to 300 than 315.	**Design and Do** Design, draw and label your dream home, which is suitable for the climate of Hemel Hempstead or Hawaii. If you would like, you can create a model too!	
 Super-Bee Challenge	Plan and write a journey story that uses an imaginary setting. **EXTENTION:** Include a conversation between characters. Don't forget to use inverted commas and speech verbs.	Sam thought of a number: 406 He said ten less than his number is either 306, 396 or 496. Which is correct? Can you now write 10 less than his new number? See if you can create another example of your own.	**Research and Report** Use the internet or a non-fiction book to research facts about Hemel Hempstead or Hawaii. Present what you have found out in a written report or as a poster.
