Year 4 Home-Learning Menu Autumn 2 2021 – 2022

Home-Learning Challenge	English	Maths	Topic	Autumn Term 2
Bee Challenge	Write a character description of one of the key characters from "Charlotte's Web". Use powerful adjectives to describe their appearance and bring them to life.	Design a poster to help you to learn the facts for **one** multiplication table that you find tricky. How will you make the trickiest facts stand out, to help you remember them?	Create a painting or model of an Ancient Egyptian artefact. For example, you might choose a statue, a mummy, a piece of jewellery or even a burial mask!	**Learning Log** Show me what you know about where food comes from. Optional Learning Log to be handed in by: **Friday 7th January 2022** Our Learning Log this half term is helping us to develop the below value: **Be ready to learn** **Advice:** "Bee"organised and create a home-learning timetable for yourself. Home-Learning to be handed in by: **Friday 10th December 2021**
 Brave-Bee Challenge	Draw your own illustration for our class reader 'Charlotte's Web'. Depict the setting (the barn) and the key characters, Charlotte and Wilbur. What clues will your illustration give the reader about the storyline or character's personalities?	Design a card game or a board game that you can play at home, to help you to practise your chosen multiplication table or tricky facts. Challenge a friend (or a member of your family!) to play it with you!	The pharaohs were the kings and queens of all of Egypt. Design a fact file or poster about one Ancient Egyptian pharaoh. Who were they? When did they rule? What are they remembered for?	
 Super-Bee Challenge	Write a detailed report about one of the farm animals of your choice from 'Charlotte's Web'. You can use the internet to research facts about them. Use headings and subheadings to organize your information clearly.	This term we will be learning about measures. How many different units of measurement can you find on packaging at home? Collect as many examples as you can for mass (kg/g) or capacity (l/ml) and order them in size order.	Write a report from the point of view of an archaeologist discovering an unopened Ancient Egyptian tomb. What do you find? How do you feel?
